Junction Box Quotation

Overview

Junction box costs range from low-price indoor models ($10-$60) to weatherproof units ($70-$450), with installation averaging $100-$300 depending on location and materials. When buyers compare metal junction box quotations, the lowest price often gets attention first. A lower unit price may hide thinner material, weaker finish, different packaging, unstable delivery, or higher. Strengthen the safety of your facilities in Hazardous Areas with our robust customized junction boxes and enclosures ATEX/IECEx certified. 316L stainless steel, GRP or aluminum, they provide IP66-IP68 protection and resist from -60 ° C to +120 ° C. Our products are certified for installation technologies all over the. Note 1: Current control (Type “C”) panel types are only available in the Type “3” enclosure.
